Medical:

A number of physical and mental conditions are contraindications for participation in an Psilohuasca ceremony. It is vital for us to know if you are using medication, as some medications cannot be taken in combination with Psilohuasca.

It is possible that a consultation is requested with the apothecary or doctor, to see if the medication can be used with the MAO inhibitors. If your medications change after you've filled in this report, we would like to know as soon as possible, as long as it is *before* the Psilohuasca ceremony.

- Do you currently use medications and/or supplements? If so, which?
- Did you consult a professional (apothecary or doctor) relating the medication you use and the attendance of an Psilohuasca ceremony? What was the advice of the professional?
- Do you have any mental health conditions?
- Do you have high blood pressure?
- Did you take notice of the contraindications on our website (<http://innerlijke-reis.nl/dieet-en-gezondheidsinformatie/>) or the attachment we send you in preparation of the Psilohuasca ceremony?
- Is there something applicable to you? If so, what?

Experience

- Are you familiar with any spiritual and/or therapeutic work?
- Do you have experience with Psilohuasca or other substances? If so, which?
- Have you experienced adverse or particularly difficult experiences with Psilohuasca that you have found hard to integrate? If yes please give details

- Have you experienced adverse or particularly difficult experiences with other psychoactive substances that you have found hard to integrate? If yes please give details
